Introduction

I am extremely pleased and proud to introduce you to -

Sanctus Care Group

The Vision for Sanctus Care Group was born from the desire to deliver the highest quality of Care, giving all of those that we support the voice and platform to be involved in the decisions made, with them and for them. We strive to set the bar even higher

Sanctus have recently acquired a Home Care provider with both TDDI and Supported Living Licences that has been awarded a GOOD rating in all five pillars of inspection,

You can read our inspection report at https://www.cqc.org.uk/location/1-6854113122

Divisions of Care

Currently we are specialising in the following areas of support,

Adult and Paediatric Complex Care:

Personalised support for adults and children with complex health needs

Brain Injury and Neurological Conditions:

Tailored support for individuals with acquired brain injury, traumatic brain injury and neurological conditions.

Neurodevelopmental Conditions:

Extensive support for individuals with learning disabilities and autism to promote independence and well-being.

Our Mission

Our mission at Sanctus is to deliver exceptional, tailored care that enhances quality of life and promotes independence. We are committed to working collaboratively with individuals, families, and healthcare professionals to provide compassionate, holistic support designed to meet each person's unique needs and wishes. We strive to make a meaningful difference to those navigating complex care needs whilst upholding the trust placed in us every day.

Our Vision

We strive to become the most trusted homecare provider by setting a new benchmark in care through innovative and compassionate solutions. We aim to by empower individuals, support families, and drive positive change through experience and dedication. Guided by the values that define Sanctus, we strive to create a legacy of exceptional care.

Our Values

Each day we embed the following principal values-

in Empowerment:

We promote autonomy, dignity and respect for each person we support, ensuring they are actively involved in shaping their care

Holistic & Compassionate Care:

We adopt a holistic, person-centred approach, considering all aspects of an individual's well-being to deliver the most effective care

Trust:

We build genuine relationships with the people we support and their families through honesty and transparency in everything we do.

Safety:

We prioritise our client's safety through high quality care, delivered

by thoroughly trained professionals with hands-on experience and a deep understanding of home care.

Commitment to Growth:

We are dedicated to continuously raising our standards of care by adapting to new knowledge and integrating feedback into everything we do.

Step down Services

As a Complex Care provider, At Sanctus we strongly believe that we have a duty to our customers to focus on growing a safe and collaborative pathway to provide step down services in Homecare from RGN to HCA lead care.

This offers multiple benefits such as High-cost savings of public sector funds, Upskilling staff for further employment opportunities within the Health and Social Care sector and collaborative working between Funders and Providers.

How do we do it?

We feel this can be broken down into three different areas-

- A safe and robust Training pathway
- Onsite Nurse lead oversight for an interim period of stability
- Emotional and Educational support services for service users and families to have a safe space to understand how this can be achieved successfully.

Our staffing opportunities

The opportunity to upskill healthcare professionals Safely and robustly holds the future to success for faster discharges and mobilisations as well as contingency within providers staffing resources. It is something that we are extremely passionate about and are driven to achieve through Innovative solutions.

Our Promise

- Bespoke, comprehensive and Multi layered training in all elements of home care and complex needs
- Flexible working opportunities with temporary or permanent roles available
- Opportunities for growth and professional development
- Mentorship from clinical experts
- A collaborative working environment where your voice is valued and encouraged

Our Expectation

- A genuine passion for supporting others and making a meaningful impact in their lives
- A commitment to treating every person with dignity and respect
- name Reliability, professionalism, and a strong sense of responsibility
- n Willingness to learn, adapt, and grow
- Excellent communication skills and the ability to work collaboratively with colleagues, service users, and families
